Team Leader Engineers – Newcastle-under-Lyme

Turner Engine Powered Services Ltd, a member of the Turner Group of Companies, forms part of the largest privately owned Diesel Engineering organisation in the United Kingdom. The company's activities extend from the United Kingdom throughout Europe, Africa and the Middle East with specific interests in the Marine, Industrial and Power Generation industries. We are looking for an ambitious person who enjoys a challenge to join us in our Generator servicing team based from our Newcastle-under-Lyme office.

The successful candidate for the post of **Team Leader – Engineers** will ideally have previous experience in a similar technical role dealing with power generation equipment in an engineering environment. A recognised trade or educational qualification in Mechanical and or Electrical engineering would be essential.

You will be responsible for the provision of an efficient and effective service delivery function for Generator Servicing business operations and working closely with the management team to maximise business performance. You will be responsible for managing a team of mechanical and electrical field based engineers, including work allocation, conducting site survey's, risk assessments and support of annual technical training programme to compliment core staff skills mix and facilitate multi-skilling.

Excellent people management skills, decision making, organisation and planning are fundamental to this position. The role will be responsible for compliance with Quality, Health, Safety and Environmental Systems requirements as defined in the Turner Quality Procedure and Work Instructions, ensuring that the mandatory ISO9001 standards are met whilst effectively managing customer demands and expectations.

This rewarding role demands many skills such as communication, self- motivation and a positive attitude. The successful applicant will have extensive experience and be comfortable communicating with employees and customers at all levels. A willingness to travel and flexibility to deal with changing environments is essential to be successful in this role.

If you wish to be considered for this exciting position, please forward your CV and a covering note to careers@turner-eps.co.uk.

TURNER GROUP IS AN EQUAL OPPORTUNITIES EMPLOYER
