

Workshop Technician – Based Sutton in Ashfield

Mitchell Powersystems, a member of the Turner Group of Companies, forms part of the largest privately owned Diesel Engineering organisation in the United Kingdom. We are looking for ambitious people, who enjoy a challenge, to join us in our Sutton-in-Ashfield Head Office.

The successful candidate for the post of **Workshop Technician** will have served a recognised apprenticeship and have previous experience working on diesel engines and or heavy duty automatic transmissions.

Applicants must be able to embrace a positive and proactive team approach whilst demonstrating a high level of independence and initiative to work on their own. With a “right first time” attitude, applicants will be expected to use a variety of resources to not only ensure efficiency and productivity levels are continually improved, but also to ensure that their outputs are in-line with expectation in accordance with Mitchell Powersystems’ Quality Procedures, Work Instructions and manufacturer specifications.

We put the customer at the heart of what we do, so it is important that you have a drive for continuous self and process improvement. As a values driven employer of choice, we expect applicants to demonstrate a high standard of safety awareness, which will help them to embrace and behave in-line with our “Work Safe Home Safe” commitment.

Applicants must be proficient in IT, particularly with regards to equipment diagnostics, with sound numerical skills and has good communication skills both written and oral.

The ability to multi-task, combined with a methodical and analytical approach is important and working knowledge of products supported by Mitchells would be advantageous. Flexibility to deal with changing environments is essential in this role.

If you wish to be considered for these exciting positions, please forward your CV to careers@mitchells.co.uk.

A competitive employment package is on offer commensurate with skills and experience.

If you have not had a response from us within three weeks of submitting your CV please consider your application to have been unsuccessful at this stage and thank you for your interest in the Turner Group.
