

Mitchell Powersystems has many years of experience providing Parts & Service Support for Engines, Transmissions, PTO's, Axles, Differentials, Driveshafts and Transfer Case products fitted in Airport Ground Support Vehicles and equipment applications, these include:

- Aircraft Pushback Tugs
- Tow Tractors
- Baggage Handlers
- Cargo Loaders
- Fire & Emergency Response Tenders

We are proud to be dealers and distributors for some of the world's leading manufacturers of premium brand Diesel Engines, Transmissions, Axles, Driveline and Power Solutions that power many of brands of essential Airport Ground Support assets.

We stock and supply only Genuine Parts to make sure your engine, transmission and drive system can maintain performance at its peak potential.

Genuine Parts are designed tested and manufactured to meet the same high-quality requirements as the factory-fitted parts used when your engine, transmission and driveline was built.

From our central warehouse and distribution hub located in Sutton-in-Ashfield we distribute parts throughout the UK and overseas.

You can also buy Genuine Parts from our Online Store: www.shop.mitchells.co.uk

GENUINE PARTS SERVICE SUPPORT UK-WIDE

Keeping your equipment fully operational and productive is a top priority and customers have our full support from troubleshooting, removal, overhaul, or reman supply to re-installation and ongoing maintenance, including supplying and genuine parts.

We have a UK-wide service network of over 35 factory trained Field Service Engineers, backed up by 22 Workshop Technicians ready to provide on-site service support when and where you need it.

Our qualified Field Service Engineers and Technicians are fully factory trained and experienced in a wide range of Airport Ground Support equipment applications, allowing them to quickly diagnose, fix and repair issues you may have with your equipment minimising downtime.

We are equipped with the latest specialised tooling and have access to product technical information, service bulletin's including reach-back to OEM factory technical resources.

As official dealers and distributors we know your engines, transmissions, and axles better than anyone and we offer service and support that can be tailored to your specific needs. Additionally, we offer preventive maintenance services and warranty options to increase your peace of mind.

With Service Centres located in Glasgow, Hayes, Romsey, and Sutton-in-Ashfield, we provide a truly national customer support capability. We directly employ all our Field Service Engineers.
